Notes:

- Weekday day time rates are applicable for support provided between 6am to 8pm Mon-Fri
- Weekday evening rates are applicable for support provided between 8pm to midnight Mon-Fri
- Rates for group programs are based on group support needs. Any individual support needs for activity participation, engagement, personal care or other supports will be charged separately at the relevant 1:1 NDIS rates.
- Non-face-to-face time will apply for planning and reporting time such as individualised planning, activity set-up for the client, risk assessments, recording progress journal notes, updating client documents, communications, reporting etc. This will be itemized on your schedule of supports and will be charged at the relevant 1:1 NDIS rates.
- NDIS Centre Capital Cost of \$2.28 per hour will apply for supports that are fully or partially provided in the Centre and / or in the Community where the Centre remains available at all times during the support if required. This will be itemized on your schedule of supports.
- Time spent on specific incident reporting or review/renewal of Behaviour Support Plans, will be charged at the relevant 1:1 NDIS rates
- Participants that require High Intensity Supports (HIS), as determined by NDIS, will be charged an additional 8% loading on top of the above rates.
- Where required, additional individual 1:1 support can be provided before or after day programs i.e. before 9am or after 3pm during week days.
