

JOIN IN ON OUR KINGSTON WIDE

SCAVENGER HUNT

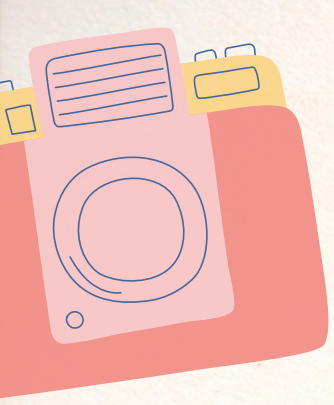

STARTING OCTOBER 17TH 2020

We've hidden a bunch of stickers that show how our local community are staying happy, healthy and connected in 6 different locations across Kingston:

- Bicentennial Park, Chelsea
- Edithvale Recreation Reserve, Edithvale
- Kingston Heath Reserve, Cheltenham
- Namatjira Park, Clayton South
- Peter Scullin Reserve, Mordialloc
- Turner Road Reserve, Highett

Each location has a total of 8 hidden stickers.

Choose a location (make sure it's within your 5 kilometer radius!), get out and about and see if you can find them all!

Join in and you'll go into a draw to win a locally sourced fruit and veg box!

Just snap a photo of your scavenger hunt, upload it onto Instagram and tag us @healthy_kingston or #healthykingston !
