

# How to make an Online Payment

Paying online is now an easy option for a number of CBCHS services. The information below shows you how to pay online as well as other methods of payment available.

## Preferred Method of Payment: Westpac Online Payment System

You will receive an SMS message to your preferred mobile number.

This message will send you a link to the Westpac PayWay System.

This message will include the payment amount and a link to the Westpac online payment portal.

**Please click on the link in the text message.**
